OUR COMMITMENT TO YOU

PA Tours and Events views every tour as a series of performance events from which the sightseeing and pacing of the tour will flow. The key is the combining of your great musical talent with inspiring venues, warm audiences, exchange activity and cultural immersion.

This is complemented by safe, secure, entertaining, informative and straightforward touring. Combining these factors results in the wow factor we strive to achieve for every group. We will work closely with you throughout the planning of your tour to ensure all your aspirations are met. To achieve this, we invite you to provide your performance information (sample recordings, repertoire, biography of you and the group, tour repertoire) as early as possible.

We would be delighted to meet to personally visit you to discuss these opportunities further and offer each prospective ensemble a free presentation to parents/and or key stakeholders.
